Ci-book

- Send an email to support@dserv.de with the following contents (adapt it to your actual requirements):

```
    Please enable Trustelem for my ci-book subscription (https://sub-domain.ci-book.com).

    My Trustelem OAuth URLs for ci-book are:
    - https://mydomain.trustelem.com/app/166XXX/auth
    - https://mydomain.trustelem.com/app/166XXX/token
    - https://mydomain.trustelem.com/app/166XXX/resource

    Users should be forced to sign-in through Trustelem from [put the appropriate date here].
    In the meantime, please keep the standard login form together with Trustelem sign-in
process.
```

- Await support confirmation.
