Corporama

- Send an email to support@corporama.com with the following information:

```
ClientID: trustelem.oauth2.gmyXXX

ClientSecret: zokzH[...]DRY

https://mydomain.dev.tlm.io/app/12XXX/auth

https://mydomain.dev.tlm.io/app/12XXX/token

https://mydomain.trustelem.com/app/12XXX/resource
```

- Await confirmation from support.
- Enter your Corporama account name. It is used to generate the URLs:
  - Redirect_URI → `https://corporama.com/oauth2/nom_de_compte`
  - Login → `https://corporama.com/login/sso/nom_de_compte`
    If you have a doubt, you can ask your account name to Corporama in the previous email.
